FOR IMMEDIATE RELEASE Palm Desert, CA

February 1, 2014

Two generations of therapists give a creative presentation on the once-upon-a-time dream couples all desire in marriage.

Fair-fighting, brain chemistry between genders, the unique hearts of men and women, universal longings all humans share and more will be explored.

After speaking, teaching and counseling on the subject of marriage for over 30 years in the Coachella Valley, Drs. Nancy and Rodney Dean have seen first-hand the frustration and pain that occurs when couples struggle with relationships. As Dr. Nancy puts it, "People are repeating their parents' marriages and have come to believe that the 'once-upon-a-time' dream we all desire in marriage is impossible."

For this reason, Drs. Dean and Dean are presenting a three-day conference entitled, "**The Keys to Oneness in Marriage: A conference for couples and singles on having the marriage you've always dreamed of**" this week on February 6, 7 and 8, 2014. Guest presenters will be their daughter and son-in-law, Therapists Jennifer Dean-Hill and Jake Dean-Hill, who will teach from their <http://www.OneKingdom.us> video series, "Fairytale love isn't just for storybooks."

"We all want the fairytale," say the Dean-Hills, "To be loved like in the storybooks. But after *finding* the love — when life is blissful for a season — the fairytale fizzles and 'happily ever after' isn't all it's cracked up to be. We'll show that fairytale life isn't just child's play and guide couples and singles on how to heal their love-lives."

"This is teaching men will actually enjoy," Dr. Nancy continues. "We get how uncomfortable this stuff can be for guys. But we're two couples speaking who believe men and women are equally heralded as unique and essential."

"Men are not the 'bad guys,'" adds Dr. Rodney. "They're the kings, the knights, the heroes. Women are the queens, the princesses, with a built-in desire to dream. By understanding and using the tools we present, couples will learn how to unite and thrive."

Say both the Deans and the Dean-Hills, "People think all marriage seminars are the same, and we don't blame them. But this will be a safe, no down-talk, no gender-bias conference that will speak life and hope into couples' situations, explore what Oneness in love really means, and learn how it can become a reality for them."

"**The Keys to Oneness in Marriage**" will be held at the Desert Christian Academy Auditorium on 40700 Yucca Lane in Bermuda Dunes, California, Thursday, February 6, from 6 to 10 p.m.; Friday, February 7, from 6 to 10 p.m. and Saturday, February 8, from 9 a.m. to 4 p.m. The price is \$59 per person, \$118 per couple, and registration includes lunch on Saturday. Seats are limited; register online at <http://www.drsnancyrodneydean.com> or call (760) 972-7374.
